FantastiKids Academy follows a discipline policy which utilizes positive behavior supports and interventions. Our teachers recognize appropriate age and developmental needs for each child and will use positive techniques to teach proper behavior interaction. A child may be removed from a classroom by a teacher or the Director but will never be humiliated or treated with disrespect. Physical punishment is never tolerated at our school. If a child's behavior continues and affects his/her well-being or that of other children, the parent will be contacted, and the child may be required to go home for the rest of the day. We will always strive to provide a nurturing and positive learning environment that is conducive for each child to learn and thrive.
